

Developmental Education Courses (if required)

☐	COLS150	Skills for Academic Success
☐	ENGL027	Writing Skills Workshop

Placement in English and/or Mathematics must first be determined by official transcripts and/or placement assessment. Developmental education courses are only taken if needed based on a student's placement; these courses would be in addition to the courses outlined below. Developmental education courses may extend the timeline to degree completion.

Transferring credits into NCC: Official transcripts are required; awarded credit will appear in Workday's Academic Progress.

Program Notes:

Students should take HCOA154 Medical Terminology and BIOS130 Basics of Anatomy and Physiology I in their first semester.

***It is the student's responsibility to be knowledgeable of NCC graduation requirements and, if applicable, to verify transfer requirements with the 4-year institution. Courses listed on the program map are based upon the assumption that prerequisites and courses taken in previous semesters will be successfully completed.**
