

Community College Educational Alliance Program

**Thomas Jefferson
University**

HOME OF SIDNEY KIMMEL MEDICAL COLLEGE

Welcome and Benefits

Welcome to Community College Educational Initiative Program

We're thrilled to introduce an incredible opportunity for personal and professional growth through our partnership with your community college! Together, we're making higher education more accessible and affordable for you and your loved ones.

What's in it for you?

Jefferson has teamed up with your community college to offer exclusive tuition discounts for:

- Eligible full-time and part-time faculty and staff
- Active members of the Board of Trustees*
- Alumni
- Immediate family members of faculty, staff and trustees

Discount Highlights**:

- ✓ 50% off [selected on-campus and online undergraduate degree programs](#)
- ✓ 10% off [selected on-campus and online graduate degrees, certificates, and doctoral programs](#)

More Savings Options:

- Community college alumni who have graduated within the past **two years** may qualify for standard scholarships and aid
- Some selected graduate programs offer institutional aid exceeding the 10% discount. This enhanced financial support provides even more resources to help you achieve your academic goals.

*Check with your HR department for eligibility

**Tuition and fee rates are subject to change each academic year, as determined by TJU's Board of Trustees
