

Emergency Medical Responder (EMR) Fall 2025 Fowler Evening Program

Entry-level emergency medical provider course designed to prepare individuals who initiate patient care in a pre-hospital, industrial, or first responder setting. Program consists of approximately 90 hours of classroom lecture and skills labs including preparatory, airway management, CPR, patient assessment, medical and trauma emergencies, special patient populations, and EMS operations.

This course has been approved by the Pennsylvania Department of Health as meeting the educational course requirement that an applicant for certification as an Emergency Medical Responder needs to satisfy to be certified by the Pennsylvania Department of Health as an Emergency Medical Responder. Upon successful completion students are eligible to take the PA/NREMT EMR certification examinations. NCC is a PA Dept. of Health EMS Educational Institute for BLS Training Programs and holds accreditation number 0068109725.
