Dear Spartan Resident,

Welcome to Northampton Community College (NCC) and greetings from the Housing & Residence Life Staff!

I hope you will enjoy your experiences at NCC this year. One of our goals during your residential experience here is to provide opportunities for academic, personal and social growth. We encourage you to take advantage of the many activities you will be presented with, while engaging in the community.

Please take some time to review this handbook, as it will provide you with an understanding of expectations while making NCC your home away from home. The policies outlined in the handbook will help create a positive community environment for you to live in at the Residence Hall Commons and Apartments. We hope that all residents will actively participate in this community, as we hope your time here at NCC will be remembered forever and will be the foundation for your future.

Again, welcome to the NCC family. Do not hesitate to contact me if I can be of any assistance. We look forward to hearing your comments and suggestions throughout the year.

Sincerely,

Joshua Reda

Housing & Residence Life

Land Acknowledgement

The Office of Housing & Residence Life recognizes that the land each of live, learn, and thrive are the traditional, ancestral, and unceded homelands of Indigenous and tribal nations. Our Bethlehem campus is located on the original homelands of the Delaware and Lenape tribal nations.

The college acknowledges the genocide and systems of oppression that have dispossessed Indigenous people of their lands, and we honor and respect the diverse and beautiful peoples still connected to this land.

Student Rights and Responsibilities

NCC welcomes you to our campus! We encourage all residents to read and fully understand the Resident Student Handbook and the Student Code of Conduct, which can be found in the Student Handbook. Residents are bound to the policies and procedures listed in the Resident Student Handbook, Housing Agreement, and the Student Handbook as well as all federal, state and local laws. Policies may change during the year without a new handbook being distributed. However, we will notify residents of changes through your NCC email account. For additional copies of all three documents, contact the Office of Housing & Residence Life in the Residence Hall Commons or email residencelife@northampton.edu.

As stated in the College Student Handbook:

- A student has the right to pursue an education in an environment that is conducive to the free flow of information and ideas.
- At NCC, a student is encouraged to express him or herself through speech and actions and to actively participate in decisions that affect the educational process.
- With these rights, comes accountability. A student has the responsibility to realize that his or her actions must not interfere with the College's function as an educational institution and with the rights of others.

Mission Statement of Housing & Residence Life

The Office of Housing & Residence Life aims to strengthen and serve our residents by fostering an intellectual and inclusive community. We seek to diversify our residents through campus engagements and academic excellence outside of the classroom. The staff strives to foster a safe environment that encourages residents to generate memorable experiences to last a lifetime.

Housing Eligibility

Eligibility

All accepted students are eligible to apply for housing. An applicant will be considered *new* if they are a first-time applicant to NCC. A re-admit student is defined as previously enrolled at NCC, but missed one major semester (fall or spring), and is re-entering NCC. All re-admit or currently enrolled applicants with an academic history may be required to have a minimum cumulative grade point average (GPA) of 2.0 in order to be eligible for housing. Students not meeting the 2.0 minimum requirement may be placed on probation or denied housing. GPA appeals can be submitted in writing to Housing & Residence Life.

Living on campus is a privilege, NCC reserves the right to reject housing applicants for any reason. Incomplete or falsification of information may result in immediate termination of a student's housing contract.

Academic Requirements

Credit Enrollment

Students must maintain full time credit enrollment status (at least 9 or more credit hours – with at least 1 course being in person) to reside on campus. If a student falls under the 9 credit minimum, their Housing Contract may be terminated. Exceptions to the minimum credit requirement will be granted under certain circumstances. Students who fall below the minimum credit status should contact the Office of Housing & Residence Life to discuss their situation and see if they are eligible to remain living on campus by completing a Credit Waiver.

Credit Waiver

A credit waiver form can be picked up from the Office of Housing & Residence Life or a Resident Director in the event a student falls below the 9-credit minimum required to live on campus. This form allows the student to remain living on campus for the duration of the semester. The credit waiver form is only ***to be used once*** and should only be requested after careful consideration of the student's academic schedule and plan. Once a credit waiver form is completed, it will be reviewed by staff for approval. ***If approved, the student must not drop below the new minimum credit limit on the approved credit waiver form.*** If a student falls below this limit due to being dropped from a course due to lack of attendance or withdrawing, the student's housing contract will be suspended and/or terminated and the student will be asked to move out of campus housing for the remainder of the semester.

Housing Academic Standards Policy

NCC is committed to the academic success of its students. In accordance with NCC's academic probation policy, resident students must achieve the cumulative grade point average outlined below to be eligible to return to housing each semester.

Additionally, resident students must successfully complete 67% of the total attempted credits to be eligible to return to housing each semester. To successfully complete a class, a student must earn a C or higher or be released from the class with a grade of R.

Cumulative Credits Attempted	Minimum GPA
9-25	1.50
26-40	1.75
41+	2.00

Fall to Spring Semester Review

Students who do not meet the Housing Academic Standards listed above at the end of the fall semester will have the opportunity to return to housing for the spring semester; however, they will automatically be placed on Housing Academic Probation for the spring semester to ensure they are given the tools to succeed academically.

Students who do not complete any credits and/or have a cumulative GPA of 0.0 at the end of the fall semester will need to submit an academic appeal in order to be considered to return to housing for the spring semester.

Academic Appeals

Residents not meeting the minimum academic standards at the end of the spring semester will have their housing contract canceled. Residents have the option to appeal their housing cancelation to the Housing and Residence Life Academic Appeals Committee. Students that need to submit an appeal will be notified via their NCC email after final grades have been submitted. This email will have directions on submitting the appeal and important dates and deadlines. ***Late appeals will not be accepted or considered.***

The Housing and Residence Life Academic Appeals Committee will review each appeal individually. The committee reads each appeal and review the documentation submitted. The committee also takes into consideration forward academic progress, behavior/student conduct issues, Starfish reports, and other important information before making a decision. ***Once the committee makes a decision, the appeal decision is final. There is no option to appeal the decision of your housing academic appeal.*** If the appeal is granted, the student will be eligible to return to housing on Housing Academic Probation.

Contracts, Deposits and Selection

Application Fee

All students applying for housing must pay the \$25 application fee. This fee is non-refundable.

Security Deposit

All students applying for housing must pay the \$200 security deposit.

Security Deposit Refund prior to Signing Housing Contract

The security deposit is refundable if an applicant hasn't been offered a housing contract. Applicants requesting a refund must submit a written request via email through their NCC email. We are unable to process requests from any other email. The security deposit is 100% refundable to students who withdraw their application or decline a housing offer prior to July 1st for the fall semester and by December 1st for the spring semester. If a student does not receive a housing offer before move in day, 100% of the deposit will automatically be refunded.

Security Deposit Refund after Student Move In

Once a resident move in, the security deposit is applied to cleaning, repair and replacement of all damages to the premises and furnishings. As long as a student requests housing, the deposit will be applied from one academic semester to the next. At the time of checkout, the deposit will be applied to other NCC fees owed, such as tuition, library fees, parking fines, etc. The remaining balance will be refunded to the resident if all other terms of the contract are met. If the cost of damages or fees owed exceeds the security deposit, the resident will be billed for the difference.

Security deposits are not refundable if breaking the housing contract prior to expiration of the contract. Therefore, signing an academic year long housing contract, the deposit is not refundable if breaking the contract for the spring semester (exceptions: graduation, military service, internship or commuting to an NCC location). Any student wishing to break their contract needs to notify Housing and Residence Life in writing.

If a student is removed from housing due to behavioral issues or failure to meet academic standards the security deposit is forfeited.

Housing Agreement

All students are required to electronically sign the housing agreement which secures the students housing assignment until they complete the pre-check in steps, which include class registration, payment of their tuition bill and completion of the health form requirements. The agreement should be read carefully since it contains very important information about living on campus at NCC, as well as important information in regard to cancelations, fees, and penalties. If the agreement is not signed, the student will not have a housing assignment reserved for them. It is important that students check their NCC email daily for communications from our office.

New Student Housing Assignments

New housing student applicants will be placed into a room based on their application responses. Students will be able to match with a roommate based on availability. Students may have a chosen

roommate in mind; however, our office **cannot** guarantee that they will be able to select a room with that person. Our office will not complete any room change requests prior to the beginning of the semester.

Returning Student Housing Assignments

Returning residents must complete a Returning Student housing application available in their student portal in the spring semester. Returning residents must be registered for at least 9 credits before they will be offered a housing contract for the upcoming academic year. Once a returning student has signed their contract, they will be able to select a new room/roommate during the Housing Selection process. All returning students who apply before the specified date (TBD each academic year) will be able to select their room. After that specified date, Housing & Residence Life will assign a returning student to a space.

Room Rates and Refunds

Students need to pay all room and meal plan fees by tuition due date established by NCC or have signed up for a payment plan to cover any remaining balance that may exist after the student's financial aid has been applied to their account. Failure to pay the bill in full or sign up for a payment plan by the tuition due date may result in a student's housing placement being canceled and their housing contract terminated. If a student signs up for a payment plan, and fails to make the scheduled payments, the student may be asked to leave student housing until the missed payment(s) are made or the student's meal plan may be suspended until payment is received. Rates for residents who are issued a housing contract after the start of the semester are pro-rated on a weekly basis. The prices below are for the fall 2024 and spring 2025 semesters.

Room Fees

All room rates are listed on our website and can be [found here](#).

The meal plan refund will only be processed if the student does not have an outstanding account balance. The room credit may be applied to housing fees upon the students return to NCC. This credit will be canceled if not used within a one-year period after the student has withdrawn from housing. The Health and Wellness Center must receive medical documentation prior to withdrawal from housing and approve the medical withdrawal.

- Demonstrated ability to live and function in an independent community environment.
- Previous history of positive residential community behavior.
- Compliance with the Housing Academic Standards policy.

Occupancy will commence and terminate according to the summer session schedule in which the resident is enrolled.

Residents may choose to enroll in online classes; however, 3 credits must be a traditional on campus credit class. Residents must be registered for summer classes one week before the start date of the summer session.

International students must enroll in at least one traditional on campus 3 credit class for one summer session in order to reside on campus for summer I & summer II. International students will be charged to live on campus for both summer sessions.

Guests are not permitted during any summer session.

The residence hall front desk will not be staffed over the summer. Residence Life staffing levels will be reduced to correspond to the limited student population. Traditional athletic, social, cultural and educational programs will not be offered. The Health and Wellness Center will have reduced hours during the summer. The dining hall is not open and there is no meal plan option for the summer.

Guests are not permitted during the summer sessions.

Summer Housing Refund Schedule

The summer housing charges are refundable on the following pro-rated basis if the following conditions are met:

- Request for room refund is submitted in writing to Housing and Residence Life.
- Resident formally checks out of their room.

If the above is satisfied, the room rate is refundable on the basis of:

Refund Rate Summer I & II

80% Withdraw during 2nd week of classes

40% Withdraw during the 3rd week of classes

0% from the 4th week of classes on

Residents who are removed from NCC for non-payment are held to the above refund policy. Residents removed from housing and/or NCC for disciplinary reasons forfeit all housing fees.

Storage

Housing and Residence Life does not offer and does not have adequate space for students to store any belongings over the summer months. Students are responsible for removing all of their items when moving out of the building and finding storage off campus if needed.

Summer Renovations

Cleaning, repairs and renovations are scheduled during the summer months. Students may be temporarily moved during the summer months to accommodate work crews and summer camps. Summer students should anticipate some disruptions and inconvenience.

Summer Visitation

- Guests are not permitted during any summer session.

Meal Plans

All students residing in the Residence Hall Commons are required to purchase a meal plan. Flex dollars are non-refundable and expire at the end of each semester, therefore they will not carry over to the following semester. *NCC is not responsible for any authorized or unauthorized use of the card).*

A meal plan ‘swipe’ refers to one entry in the Dining Hall located in the Residence Hall Commons. Each resident would use one swipe when they enter for either breakfast, lunch or dinner. Once a resident has swiped into the Dining Hall, the meal plan is designed as a buffet style, so the resident can eat as much or as little as they would like. The Dining Hall is open 7 days a week opening at 7:00am and closing at 7:00pm. Meal plan swipes are only valid for one week, any unused swipes will not rollover into the next week.

Students who are assigned to the Apartments can also select to “opt-out” on a meal plan since the apartments have full kitchens and students can prepare their own meals.

Meal Plan Cards

Residents swipe their meal plan by presenting their NCC Student ID to the cashier. Residents must present their ID each time they enter the Dining Hall. Student ID cards are not transferable to any other person and may not be used by another person. Student IDs are obtained at the Residence Hall Commons and are not mailed out to students. Students receive their ID cards at move in day. Individuals who alter, lend, forge or misuse an NCC Student ID are subject to disciplinary action.

Lost or Stolen ID Cards

Immediately report lost or stolen NCC Student ID cards to Public Safety at 610-861-5588. During business hours, please see one of the Resident Directors in the Residence Hall and obtain a new card. There will be a \$10 replacement fee for all lost or stolen cards, this charge will be added to your student account.

Meal Plan Suspensions

A resident’s meal plan may be suspended for failure to comply with NCC policies/procedures, non-payment of NCC fees, incomplete Health forms, failure to follow instructions of an NCC official, etc.

Meal Plan Changes

Meal plans may be changed (upgraded or downgraded) until the end of the second week of classes each semester. After that time, meal plans may not be changed until the start of the next semester. To change

your meal plan please email residencelife@northampton.edu or visit the office located in the Residence Hall Commons.

Meal Plan Refunds

Meal plans are fully refundable prior to check in. Meal plans are refundable on a pro-rated basis through the fourth week of the semester. Meal plan flex starting balances are non-refundable after check in.

Semester Breaks

Meal plans are not valid during semester breaks (including Spring Break, Thanksgiving Break, Winter Break, and Summer Break) when the residence hall and apartments are closed. The dining hall and Den snack bar are closed during term breaks. The College Center Food Court operates on a reduced schedule during term breaks and summer sessions. Flex dollars are accepted whenever the Food Court is open during the semester.

Special Diets

Residents with special dietary needs can contact the Office of Disability Services, College Center, Suite 340.

Inclement Weather Closings

If NCC closes due to inclement weather conditions, meals may be served in the dining hall according to the following schedule announced by Sodexo Dining Services. ***If changes are made to this schedule, residents will be notified, updated hours will be posted on the doors to the dining hall.***

Check in/Check out Procedures

Check in Procedure

Upon arrival, a staff member will check to ensure that you have completed all the pre-check-in steps. It is imperative that residential students check their NCC email regularly over the summer and during break periods as our office will send updates on move in days and times, in addition to missing and incomplete requirements. Our office strives to make your check-in process as smooth as possible so maintaining regular communication with our office and checking your email is important.

If you have not completed all of the pre-check-in steps you will not be permitted to move in until all the steps have been completed.

Each resident will also inspect the condition of the assigned room or apartment, sign the Room Condition form and return it to a staff member. It is the resident's responsibility to record any damages or missing furnishings on the Room Condition form.

Upon check in residents will be issued room keys, a student ID and a mailbox key and number.

Check out Procedure

Residents will need to check out of their room at the end of the spring semester or earlier if they are permanently leaving or are no longer enrolled in the minimum number of credits required to reside on campus.

How to do a Face to Face Check out

- Contact a staff member to inspect the room or apartment.
- The staff will record the condition of the room or apartment and inspect for missing items and/or damages.
- The resident and a staff member will sign the Room Condition form.
- The resident will return their keys to the residence hall front desk and complete an Express Check out Envelope with a staff member.
- Professional NCC staff will re-check every vacant room or apartment at the end of each semester. If additional damages are discovered that were missed during the initial check out inspection the former resident(s) will be charged.

How to do an Express Check out

- Remove all belongings from the room or apartment.
- Clean the room or apartment and return it to its pre-check in condition.
- The resident will return their keys to the residence hall front desk and complete an Express Checkout envelope.
- Place the completed Express Checkout envelope with keys inside, in the lock box.
- Residents are held responsible for any damages found when the room is inspected after the resident checks out.
- Professional NCC staff will re-check every vacant room or apartment at the end of each semester. If additional damages are discovered that were missed during the initial check out inspection, the former resident(s) will be charged.

Winter Break Check Out

- Students are not required to move their belongings out for winter break (unless they are not returning to housing for the spring semester). Students do need to turn in their room keys and mailbox keys before leaving for winter break.

If the cost of damages and other amounts owed to NCC does not exceed the security deposit, then the resident is entitled to a refund for the difference if all terms of the contract are met. However, if the expense of the damages and other amounts owed to NCC exceeds the security deposit, the student will be billed for the difference. If a resident breaks the year-long contract at the end of the fall semester, the security deposit is non-refundable.

Room Change and Consolidation Procedure

Information regarding the room change process will be sent to the students' NCC email at least one week prior to the Room Change period beginning.

If a resident changes rooms without permission from the Resident Director, the resident will be fined \$100.00 and will need to move back to their original housing assignment. In addition, the resident may lose their ability to participate in the room change process.

Outside of the scheduled room change period, requests must be made to the Resident Director. Room changes will be approved if the below steps have been followed:

- A roommate agreement must be on file first.
- If the roommate agreement is not working, roommates must request a mediation from a Resident Assistant or Community Assistant.
- If the first mediation does not work, roommates must request a mediation from one of the Resident Directors.
- The Resident Directors will determine if a room change can be accommodated.

All room changes are dependent on availability and approval from a Resident Director.

Room Consolidations

Housing and Residence Life may also have a room consolidation process during the semester for residents that do not have roommates (and are not in single rooms) after each assigned room change period (or at any point in the semester). Residents who reside in a double room and do not have a roommate at these times may need to participate in room consolidation or they will be charged for the pro-rated single room price from the room consolidation time period through the end of the semester.

During the room consolidation process, residents will be given an opportunity to choose a new roommate or room based on the list of other residents who are required to consolidate. Failure to notify our office of their selection of a new room or roommate by the assigned deadline will result in the resident being charged for the pro-rated single room price from the room consolidation time period through the end of the semester.

Fire Safety

Actual Fire

- Evacuations procedures should be followed.
- Activate building fire alarm if it is not already activated.
- Call 911.
- Notify Public Safety at 610-861-5588.

Smoke Detectors and Sprinklers

The residence hall and apartments are equipped with smoke detectors and sprinklers. It is a violation of Pennsylvania law to tamper with any fire safety equipment. Tampering with fire safety equipment may result in NCC disciplinary action, as well as state fines up to and/or exceeding \$500.00.

Residence Hall Fire Alarm Activation

For everyone's safety, residents and their guests must immediately evacuate the residence hall if the fire alarm system is activated. All residents and guests should evacuate through the closest emergency doors. All residents and guests should then meet at the basketball courts in the lower parking lot when exiting. Residents will experience unannounced fire alarms at least once a semester under the supervision of the Resident Directors and Public Safety. All residents and their guests must participate in all alarms. Anyone who does not evacuate will be subject to disciplinary action. Residents are responsible for the

actions of their guests. Please know that when a fire alarm is activated, the local Fire Department will respond to clear the building.

Residence Hall Evacuation Procedures

- Residents and their guests will evacuate the building by using the nearest fire exit and proceed to the center sidewalk (heading towards the Alumni Hall) located between in the lower parking lot and the main parking lot of the residence hall parking lots. Students should line up to avoid being in the way of any traffic in the parking lots and also so staff can account for students.
- Public Safety should be contacted at 610-861-5588 if they are not already present.
- The Resident Director or their designee will enter each room to ensure that all occupants have exited the building.
- Residents and their guests may re-enter the building only after a staff member has received clearance from Public Safety.

Residence Hall Fire Alarm Strobe Lights

All restrooms in the residence hall and select rooms are equipped with strobe lights that activate when the fire alarm system is engaged. Residents should make note of where the strobe lights are located in the restrooms and utilize the showers, sinks, stalls, etc. that are closest to the strobe light if needed.

Apartment Fire Alarm Activation

Apartment residents and their guests must immediately evacuate the apartment complex if the fire alarm is activated. Residents will experience unannounced fire alarms at least once a semester under the supervision of the Resident Directors and Public Safety. All residents and their guests must participate in all alarms. Anyone who does not evacuate will be subject to disciplinary action. Residents are responsible for the actions of their guests. Immediately contact Public Safety at 610-861-5588 if an alarm goes in an apartment. Please know that when a fire alarm is activated, the local Fire Department will respond to clear the building.

Apartment Evacuation Procedures

- Apartment residents and their guests will exit the apartment building area using the north walkway to the grass area at the opposite end of the apartments from the apartment parking lot (towards the Hecktown Road entrance to campus).
- The Resident Directors or their designee will enter each apartment to ensure that all residents and guests have exited the building.
- Residents and guest may re-enter the building only after Public Safety has given permission to do so.

Fire Safety Training

Residents will receive information on fire safety and evacuation procedures during New Resident Orientation and floor/apartment meetings. All apartment residents are required to participate in scheduled fire safety training sessions within the first 3 weeks of each semester. Failure to do so may result in the resident being reassigned to the residence hall.

Fire Safety Fine/Discipline

Any resident or guest responsible for arson, tampering with or theft of any college owned fire equipment (smoke detectors, pulled fire alarms, extinguishers, sprinkler heads, automatic doors, etc.) or who fails to leave the building during any fire alarm may be subjected to a \$500.00 fine, in addition to a minimum two week suspension from housing, in addition to any local enforcement penalties. If no one is found guilty of the violation, then the following may take place:

- Each resident may be charged \$25.00 per violation.
- Visitation may be limited for each resident.
- Possible termination of housing.

Emergency Procedures

Medical Emergency

In case of a medical emergency, a resident, guest or staff member should:

- Call 911 for an ambulance, police, or fire department.
- Contact Public Safety at 610-861-5588 and Residence Life Staff

Students will be responsible for the cost of all ambulance and medical expenses. NCC staff, including Resident Assistants and Community Assistants, cannot transport a student to the hospital.

Bomb Scare Threats

Residents should remain calm and not handle the object. Residents should clear the area and call Public Safety immediately at 610-861-5588.

Missing Student Policy

In accordance with the Higher Education Opportunity Act, NCC must develop and implement certain procedures to be followed when residential students are determined to be missing for 24 hours. The College has adopted a missing student notification policy for students residing in on-campus residential facilities. In addition to registering a general emergency contact, all students residing in on-campus student housing facilities have the option to annually register confidential missing person contact information for a person to be notified by the College in the event the student is officially reported as missing. The College will ensure that all students are able to update their contact information whenever needed. These procedures and registration process are communicated to students when registering each academic year. The contact information will be confidential, accessible only by authorized campus officials and law enforcement, and may not be disclosed outside a missing person investigation.

If a student has identified such an individual, DPS, or Residence Life officials will notify that individual no later than 24 hours after the student is determined to be missing.

If a member of the College community has reason to believe that a student who resides in on-campus student housing has been missing for 24-hours, they should notify:

- Call the Department of Public Safety by dialing (610) 861-5588, or
- Report in person to the Department of Public Safety at the Public Safety office located next to the Residence Hall,
- Contact the Associate Dean of Student Life at 610-332-6075, or
- Contact the Office of Residence Life at 610-861-5324, or in person at the Residence Hall Commons.

All missing student reports *must be referred immediately* to the Department of Public Safety (DPS) at 610-861-5588. DPS will generate a Missing Person report and initiate an investigation.

Students are advised that, if the missing person is under the age of 18 and is not an emancipated individual, DPS or a representative from Residence Life must and will notify the student's custodial parent or legal guardian, the missing person contact, and the local law enforcement agency with jurisdiction immediately (within 24 hours) after DPS has determined that the student has been missing for more than 24 hours, in addition to notifying any additional contact person designated by the student. Students are advised that, for all missing students, NCC will notify the local law enforcement agency within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing.

If a student has been determined missing for more than 24 hours, in addition to the above notifications, specific procedures to follow include: contacting the student's RAs, checking with emergency health care providers, and taking such other investigative actions as are appropriate under the circumstances. The College will implement these procedures in less than 24 hours if circumstances warrant a faster implementation.

When investigating a missing student report, college staff may enter the resident's assigned room and talk with associates to gather information on the missing student. The College may also issue an ID picture to assist in identifying the student. Vehicle registration information may be utilized for vehicle location and distribution to authorities.

After investigating the Missing Person report, should DPS determine that the student is missing and has been missing for more than 24 hours, contact will then be made to the missing person contact, if contact information has been provided, within twenty-four (24) hours of the determination that the student is missing by the DPS. If the student is under the age of 18 and is not an emancipated individual, DPS will notify the student's parent or guardian and any other designated contact person within 24 hours. (Regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, DPS will notify the local law enforcement authority with jurisdiction and the student's missing person contact no later than 24 hours after the student is determined to be missing, unless the local law enforcement agency was the entity that made the determination that the student was missing)

The Associate Dean of Student Life or his/her designee may choose to initiate standard NCC disciplinary procedures as stated in the Student Handbook.

Criminal History

A resident must notify the Assistant Director of Housing and Residence Life of any criminal charges and convictions that occur after a housing application is completed and/or a housing contract is signed. This information is collected on the housing application, and therefore, applicants who are residents must update the Assistant Director of Housing and Residence Life of any changes to this. Failure to do so may result in termination of the housing application or contract.

Dual Jurisdiction

The principle of dual jurisdiction may apply to certain disciplinary matters where a resident is charged:

- By law enforcement agencies for violating a civil law.
- By NCC officials for violation of a college regulation on campus only in cases where off campus behavior poses threat to health, safety, or well-being of NCC and its students, of when the conduct adversely affects NCC's educational mission and/or objectives.
